These listed are the only testers in the area that the Bryan Water Department is aware of. Please feel free to contact any of these testers. If you contact a tester not listed here, you must also submit his/her State of Ohio certification with the completed test results. The tester should fill in the proper Bryan Municipal Utilities form after the test has been completed, and you should forward the completed form before the final due date with results to:

Bryan Water Department
Attn: Jessi Elson
841 E. Edgerton St.
Bryan, OH 43506
