

# Bryan Good Neighbors Utilities Fund

Every month, people right here in Bryan, for one reason or another, cannot pay their electric and water bills. They may have been sick, lost a job or had some sort of catastrophe and just need a little help to get back on their feet. Bryan Municipal Utilities has implemented a program to assist low-income customers with their basic utility bills. BMU customers qualify based on federal poverty income guidelines or exceptional hardships.

Northwestern Ohio Community Action Commission administers the program, and it is funded through your tax-deductible donations. Generous donations have already assisted many families. Please consider becoming a good neighbor and donating whatever you can. You can make a difference!
