

BRYAN MUNICIPAL UTILITIES
SCHEDULE "SL" OUTDOORS SECURITY LIGHTING

AVAILABILITY: Available to Consumers where City's (hereinafter called Utility) standard outdoor lighting unit can be installed on Utility's existing pole and without requiring any extension or addition to Utility's existing secondary or primary distribution facilities.

Where additional facilities are required, the Consumer shall pay in advance the total installation cost for the additional distribution facilities (poles, wires, and appurtenances) as are required. In all cases, the lighting fixture itself, including lamp, will be installed, owned, operated, and maintained by the Utility.

This service is available only where there is assurance that the service to be furnished will be permanent. Utility reserves the right to refuse to furnish such service when, in Utility's opinion, the installation will not be of permanent character.

NET RATE: The monthly Net Rate per lighting unit shall be as follows:

<u>LAMP</u>	<u>STANDARD</u>	<u>MONTHLY</u>
<u>RATING</u>	<u>FIXTURE</u>	<u>NET RATE</u>
LED	Security Light	\$ 5.20
250 watt HPS	Flood Light	\$ 7.80
400 watt HPS	Flood Light	\$ 10.40

Rates for non-standard overhead fixtures to be covered by Special Agreement

I hereby request () **LED security light billed at \$5.20 monthly, net rate**
 () **250 watt HPS flood light billed at \$7.80 monthly, net rate**
 () **400 watt HPS flood light billed at \$10.40 monthly, net rate**

I understand I will be billed monthly on my utility bill. I read and understand the Schedule "SL" and agree to all terms outlined in the schedule.
